Correlation

Student Participation Hours and
Change in GPA
(Trimester 1 to Trimester 3)

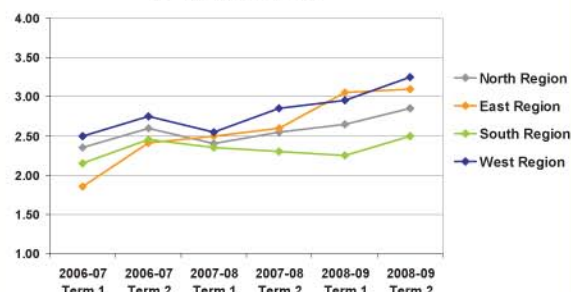

Number of Students	Average Number of Hours	Average Change in GPA	Correlation	slg
1232	20.53	0.83	0.402	0.003

There is a significant relationship between Number of Student Participation Hours and Change in Student GPA.

WHY CHOOSE COMPASS?

The one-time fee includes customization, integration with academic data, on-site training, and extensive technical support. One cost, no surprises. Other providers charge additional fees for such services.

GPA over time
